

Bernin Uben

Junior Web Developer

T: 201-873-2301 E: Berninuben@gmail.com

OBJECTIVE

Seeking an opportunity in which I may be able to provide the company with the benefit of my knowledge and skills while learning the standard operating procedures and become apart of an exciting startup and community.

SUMMARY

A fast learner, hard worker, and team player that is proficient in back-end development but not afraid to jump into front-end development if needed.

EXPERIENCE

Startup Institute

Web Development Track (October 2014 - December 2014)

Startup Institute is the #1 career accelerator, offering transformative educational experiences that combine hard skills with cultural acumen to increase the velocity and impact of future startup employees. Through a selective 8-week training program, participants gain the skills, network, and mentality to successfully launch into startup careers. Apart of the web development track.
